## SCHOOL NEWS ITEMS

by MARGARET E. O'KELLEY

On November 5, 2001, the Huron School Board held its regularly scheduled meeting. The main topic of the evening was a presentation from TMP Architecture and Wolgast Corporation, the construction managers, on the Brown Elementary and the Huron High School expansions and renovations.

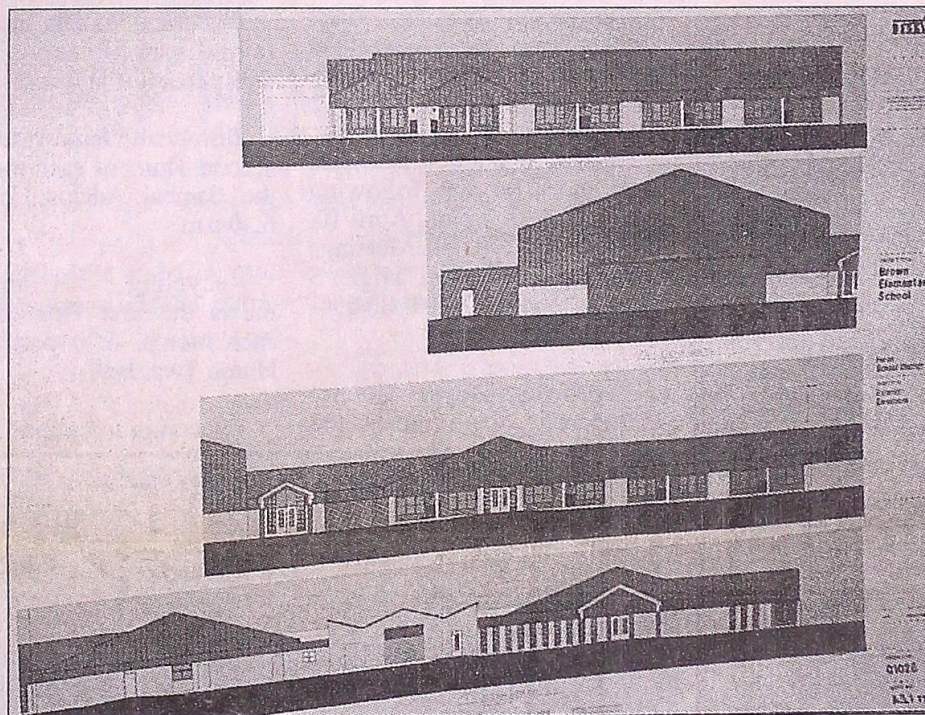

Brown Elementary will have a blue roof and red brick will be mixed in with the current earth tone to create an architectural flow throughout. There are 10 additional classrooms being added plus a computer lab. Music and Art classrooms will be located where the library exists and the current multi-purpose room will be the new media center.

A cozy reading nook is being added at the north end of the media center. The nook is being dedicated to Clementine Cook, a former long-time employee of the district. Clem, who recently passed on, requested that her memorials be given to Brown Elementary.

The new multi-purpose room will have retractable walls that may be used to separate the gymnasium from the lunchroom and the gym will be a regulation basketball court that may be usable for extra practices. Principal Hopper jokingly stated, "If the Senior High needs to practice they may rent the new gym."

Huron High School will be seeing major renovations in the central administration area, the lecture hall, the locker rooms and a new kitchen. The current interior courtyard will become a high tech media center using natural light to its best advantage.

There will be a Huron Chiefs head built in to the floor at the entrance to the gymnasium with red and white tile

ARCHITECT'S DRAWINGS OF BROWN ELEMENTARY.

leading to the area. This should most certainly boost team spirit. There will be a more muted red tile installed in other areas of the building. All other areas will receive an upgrade during the reconstruction.

The School Board is expecting the project bids for Brown and Huron High to be let out in January and expect to be able to put the shovel in the ground come March.

November 5, 2001, was the kickoff meeting for the renovations committee assigned to Miller Elementary. The estimated bid letting time for this project is April.

Other agenda items:

- Parents were there to request bus service on the interior streets of subdivisions. The Board took the request under advisement.

- Winter coaches as presented by the superintendent were hired.

- Policies 10000 was tabled for additional research and discussion.

- Current Board of Canvassers was reappointed.

- First Reading of Bullying Policy was held.

- The Board approved the sale of

commendations for trips, both athletic and field.

- Richard Zavodsky reported for the Finance Committee stating that according to the Governors School Aid Budget for the 2002-2003 School Year Huron School District will lose \$200 per student. The most workable solutions to this problem is either to recruit additional students or reduce operating costs.

- The LEAD Team will be meeting at Miller Elementary on Thursday, November 15, 2001, at 4 p.m. to discuss their future plans for Huron Acadamia.

- The Huron Township Board is holding a public hearing on November 28, 2001, at the Huron High Lecture Hall at 7 p.m. to discuss the proposed expansion of the LDFA District.

- The Board wished to congratulate the Girls Swim Team on their first League Championship, Mike Blosser for League Golf Coach of the Year, the Eighth Grade Girls Basketball Team for an undefeated year and to thank Scott Ludwig for his fine work with the elementary students.

# DEAR MR. PRESIDENT

Dear President Bush,  
We are a unique Kindergarten Center in rural Michigan. We are responding to your request on national television for each elementary child to donate \$1 to the children in Afghanistan. We have 151 students and are donating \$1 for each one. Our staff is also matching these funds so our total donation will be \$302. We have made a "help-

ing hands" poster that includes all 151 children. We are hoping it will be displayed somewhere in the White House and a picture can be sent to us. If President Bush could be in the picture we would really appreciate it. We have explained to the children where Afghanistan is and that their money would be helping children just like them. Even at their young age they know they are help-

ing to change the world for the better. Thank you for this opportunity to help our students learn a global and lasting lesson. Our school is located just a few miles south of Detroit Metropolitan Airport, so if you are ever in Michigan, we'd love a visit.

## HURON TOWNSHIP PARKS & REC

The Huron Township Parks and Recreation in concert with the Huron School District are forming a partnership to bring together the community and the schools for a much-needed community education, recreation and enrichment program.

We need the entire community to give us their input on the programs that they would like to have in this endeavor. Eventually we will be looking for people to instruct these classes as well.

The Huron School newsletter will include a survey as that you and your family can share your ideas and needs in this area.

Over the next few months, a

select group of people from the Parks and Recreation, the School Board, School Administrators and Community Volunteers will be putting together a preliminary program to get started.

We are all excited to bring this to our community and we

hope that our community is as excited to have it.

Look for updated information on our progress in the local media.

# CHRISTMAS CELEBRATION PLANNED

The Concerned Citizens Coalition (C3) is proud to announce a new addition to the annual Huron Township Christmas Celebration.

On Sunday, December 2, C3 is holding its first annual religious celebration at Cerni's Professional Building in New Boston.

This gathering culminates

the "travels" of the Wise Men and their camels as they traveled from church to church in our Township.

The Wise Men, during the holiday season, are guests for a while at various churches and they will meet at the stable on the night of the celebration.

Following this ceremony the citizens are invited to

attend the Annual Township Tree Lighting held at the Historical House next to the Applefest Building. Following that ceremony, the citizens will meet at the American Legion Building for refreshments and a visit with Santa Claus.

Please come and join us in this very special celebration and new tradition.

## C.Y.B.O.R.G.S. CHARITY DRIVE

by GEORGETTE HERON-WILLOUGHBY

The C.Y.B.O.R.G.S. Club will be holding their Annual Holiday Charity Drive Monday, November 19 to Friday December 21. This year the club will be collecting canned

goods to be distributed to charities that feed children.

We understand that many of you feel overwhelmed by charity at this time, but there are so many children in the area who go hungry every day.

The C.Y.B.O.R.G.S. are always committed to helping kids in need. Our community has always supported our efforts and for that we are forever grateful. Please remember us when you are shopping for the holidays. Drop off any canned goods at the Huron Township offices and Senior Center in Waltz.

by MARK CLARK

Ok, I'm biased. I'll admit it. I love Stun Gun! I've been a fan since I saw them perform about four years ago when they first burst onto the local music scene. One reviewer claimed that "they captured the lust-filled hearts of Detroit's prime shakers." Now, I'm not a "prime shaker" but I'll admit that they captured mine. These rocker girls with their power chords and short skirts were quickly headlining at clubs, getting their pictures plastered in publications and drawing large crowds. Simultaneously, they were also drawing more than their share of criticism, being accused of dressing too skimpy, too sexy and with too many sparkles. It seems many were envious of Stun Gun's sudden notoriety.

Well, Stun Gun is back with

the release of their third CD "Venus Envy" on Evol Records. From the cool cover art (featuring a revolver firing a tube of lipstick) to the ten hot tracks featuring "slammin' guitars, powerful vocals with tough talking lyrics," the CD

is Stun Gun's sharp reply to all of the criticism they've had to deal with the past few years.

Produced by Chris and Drew Peters of Getaway Cruiser, Joell and company have toughened up their

## Your Cosmic Link For The Week Of Nov. 15th thru Nov. 21st

### Scorpio Oct. 24 - Nov. 22

All you can do is wait for the other shoe to drop. Or put on foot before foot in mouth. Always room for change, but time to plan ahead. Pull up to ATM, leave with caution. Don't forget cash. Lucky #8173.

### Sagittarius Nov. 23 - Dec. 21

Too young to tie own shoes or just plain lazy? Others can't pick up after you forever. Bills ring in ear, maybe not on toes. Prepare for others to come and go. Lucky #9496.

### Capricorn Dec. 22 - Jan. 20

A flip of the coin won't get you far. Stop handling important issues in childlike manner. May not be necessary to buy now but you will pay later. Clean cabinets from corners. Lucky #7338.

### Aquarius Jan. 21 - Feb. 19

Doorbell rings, don't answer. Ringing in head, ignore. Take nap well deserved. Time to think of sunny days in sun. Last days to prepare turkey. Lucky #0440.

### Pisces Feb. 20 - Mar. 20

Lights flash in sky. All know a little late for lightening. A "bell" goes off and you find self one foot ahead of the others. But may be unable to find open door. Knock hard. Lucky #3984.

### Aries March 21 - April 20

Sunny days become distant memory.

Listen to favorite music. Rally around friends and family who need extra support. Time to buy shoe insert? News from overseas leaves you agast. Lucky #2675.

### Taurus April 21 - May 21

Hurry! Beat the crowds. Buy turkey now! Remember to defrost! Look to skies for twinkling lights as ask for signs of peace. May not come as easily as you thought but all in good time. Lucky #2843.

### Gemini May 22 - June 21

Take out old photos. Reminisce in past but be ready for future. Go to local business, buy new pair. Seek shelter from cold. Secure home with necessary supplies but don't overdo. Lucky #5731.

### Cancer June 22 - July 23

Five times the laughter won't change the baby. Take heed at present signs and light candles. Plastic over drafty windows and hope plugs holes in mind. Watch where you place shoes. May need in a hurry. Lucky #4104.

### Leo July 24 - August 23

The other shoe has already dropped. Time to make children put pairs where they belong. Begin holiday cooking early. Look at oven temps, double check at least twice. Is the heat on? Lucky #7697.

### Virgo Aug. 24 - Sept. 23

Ask last question first but don't expect

## ROAST TURKEY W/HERBS

1/4 cup Butter -  
room temperature  
6-8 Bay Leaves  
1/2 cup Parsley -  
finely chopped  
1/4 cup dried  
Chervil

3 tbs. dried  
Rosemary  
Salt and Pepper to  
taste

In a medium bowl, combine soft butter with parsley, chervil, rosemary, pinch of salt and pepper. Mix until blended. Stuff the herbed butter under the skin of the turkey the best you can. Place the bay leaves under the skin, dispersing evenly. Sprinkle the outside with salt and pepper. Roast according to package directions.

The amount in this recipe is for an average-size bird.

## Horoscope

William Grover

answers in order. Where did you place your foot? Ask friends to return to its proper place. Seek advice from one capable, away from work place. Is it time to shop yet? Lucky #6466.

### Libra Sept. 24 - Oct. 23

Foot! Foot! Foot! Okay won't mention it again. But may be time to re-shoe the old horse and purchase new pair. Light up the sky with unrealistic plans but remember they are your own. Makes you happy. Lucky #8849.

## Al Fresco

Georgette Heron-Willoughby

As part of my November Holiday Alternatives Series, I want to share a simple twist to enhance your turkey. Many people get stuck in that same old rut, oiling down the bird then sprinkling with salt and pepper. If you just add a few herbs under the skin, the flavor is so good that you'll wonder why you didn't try it before. The flavor of the herbs will also blend into the stuffing.

You can use this recipe on chicken or hens, too.

## MGM BROWN DERBY

MGM Grand Detroit's Hollywood Brown Derby restaurant has taken dining to another dimension with a new menu.

New appetizers and entree specialties have been added to the bill of fare at the casino's premier steakhouse, said Bob Strom, Assistant Vice President of Food and Beverage.

"We've increased the staff's interaction with guests, with table-side presentations that takes guest to a new level of

# MICHIGAN ROCKS

glam/pop/punk sound and to quote the Metro Times have "stepped the whole femme fatale shtick up a notch." With guest appearances from members of Sponge, Mod Ev and

Sweaty Suede Lips the CD has received great reviews in the national press. The Alternative Press gushed "...roaring unrestrained riffs, propulsive drumming with sharp har-

monies ... slinky vocal acrobatics ensure that VENUS manages to be irresistibly catchy but never cloying or trite, inspiring much ENVY in those that wish they sounded

this fresh." The CD is a must have for fans of Detroit rock. For more information go to [www.stungunrocks.com](http://www.stungunrocks.com)

dining," he said.

Along with the new Steak Diane prepared tableside, the new English Dover Sole entree is de-boned at the table.

The new menu highlights include an oversized, 20-ounce New Zealand Rock Lobster Tail. The dish replaces the Whole Maine Lobster from the previous menu. Souffles are being phased into the dessert menu.

For an added after dinner experience, try the new dessert menu consisting of two souffles, Chocolate Macadamia Nut and Fresh Meyer Lemon, with flaming coffee drinks prepared tableside. Watch the magic as Grand Marnier is

first flamed and then accented with just a touch of brown sugar, topped off with

whipped cream and a sprinkle of cinnamon served with Grand Class style.
